

DENDALE LIMITED

ENVIRONMENTAL AND RESPONSIBLE MATERIAL SOURCING POLICY

Dendale Ltd is a medium sized building contractors operating from a premises in Sheffield. We are committed to being a highly successful building contractor and to the protection and enhancement of the environment.

We recognise that our operations results in an impact to the environment and generation of waste. It is our aim to reduce the environmental impacts of our business and to operate in an environmentally manner.

This policy applies to all our operations including management, office services, construction site processes, delivery and procurement.

Don Dickinson, Managing Director is responsible for ensuring that this policy is implemented, however, all employees have a responsibility in their area to ensure that the aims and targets of the policy are met.

We will ensure that resources are available to enable us to achieve our aims and targets.

During 2011 and 2012, we aim to:

- Review the environmental impact of all activities, and endeavour to reduce our overall environmental impact and prevent pollution using best practice.
- Involve employees in our environmental programme and provide necessary training to enable them to discharge their responsibilities.
- Sustain a programme of continual improvement in environmental performance incorporating suitable measurement and monitoring mechanisms.
- Improve energy efficiency and other resource efficiency, and reduce the generation of general waste and special waste.
- Manage packaging appropriately.
- Reduce consumption of any raw materials that are hazardous to the environment and the emission of any volatile compounds.

- Inform all customers and suppliers of our Environmental Policy and ensure a Duty of Care is maintained.
- Will use local materials where possible.
- Use responsibly sourced materials.
- Re-use materials where possible.
- Use materials with a high recycled content.
- Use non-toxic material.
- Use materials with a low embedded impact.
- Use durable materials.

To achieve our aims, we have set ourselves the following targets:

- Inform all new customers and suppliers about our Environmental Policy by October 2011.
- Define good housekeeping for all materials, ensure all employees receive training in good housekeeping by December 2011 and incorporate this training into the induction programme for new employees.
- Introduce a materials management system to reduce the amount of waste materials being disposed of by January 2012.

Progress against these aims will be monitored through on regular management meetings.

This Environmental Policy Statement is available on request. If you wish to obtain a copy or would like to discuss our progress against our aims, please telephone 0114 2480055. This policy is also available on our web site at www.dendale.com.
